About FLASH: Freshman Leaders Advancing in Service and Honor (FLASH) is focused on helping our freshman members ease into the transition of college by allowing our members to gain leadership skills through planned community service, social, and campus sponsored events throughout the Fall and Spring semesters. Members are expected and **required** to attend a mandatory number of events throughout the year in which they will gain vital leadership skills. Freshmen will also help plan out more social and service projects throughout the year with the help of their upperclassmen mentors. To receive the most from this organization, you are expected to **attend as many events as you are able** and stay in contact for any events that you are unable to attend.

Questions: Please answer the following questions in no more than three, double-spaced, pages with 12 pt font. This information page and your responses should be stapled and turned in to the **Memorial Student Center Room L524**. If you need help finding this room, you can ask the information desk. Please put **only your UIN** at the top of your response pages. Applications are to be turned in between **1:00 and 5:00 PM** on **Sunday, September 22nd, 2019**. At application turn-in, you will have a chance to sign up for your interview time. Every freshman will be guaranteed an interview.
